SECTION 1 - MARINE CARGO

a. What is the maximum value of the cargo at risk for any one vessel?	
b. Where is the origin of the cargo? Please give details of the manufacturers & locations from where cargo is shipped.	
c. How will the cargo be shipped? By truck/sea, self propelled vessel, rail or any other method.	
d. Please confirm if transit is by barge as this risk has to be referred to underwriters?	
e. How will cargo be packed? In containers, crated, stowed on deck of vessel, or any other method?	
f. Does the routing of the cargo present any unusual difficulties such as low bridges, unpaved roads, narrow tunnels, etc? If so what loss prevention measures have been undertaken?	
g. When are cargo shipments expected to commence?	
h. Is the cargo transit risk contingent to any other insurance such as a manufacturer's policy?	

SECTION 2 – DELAY IN START UP

Please provide the following information for all of the main components					
Equipment details	Shipping time from suppliers to project site	Date of arrival at the project site	Period required for installation	Period required for testing	Period required for item to be replaced

<p>a. In the event of a delay, what methods are available to:</p> <p style="padding-left: 20px;">Expedite re-manufacture, Shipment, Installation, Testing &/or mitigation of any likely reduction in output of the project?</p>	
<p>b. Have any loses occurred on similar projects that have been carried out previously?</p> <p style="padding-left: 20px;">If so please give details.</p>	
<p>c. Do you have any other information that would affect the underwriter's assessment of any potential loss?</p>	

DECLARATION	
I/We declare that to the best of my/our knowledge and belief the above statements are true and complete and will form part of the contract between me/us and the Underwriters.
