Settling claims

How **we** deal with **your** claim

- If **your** claim for loss or damage is covered under Section One, **we** will pay the full cost of repair as long as:
 - the **buildings** were in a good state of repair immediately prior to the loss or damage; and
 - the sum insured is enough to pay for full cost of rebuilding the **buildings** in their present form; and
 - the damage has been repaired or loss has been reinstated.

We will take an amount off for wear and tear from the cost of any replacement or repair if immediately before the loss or damage the **buildings** were not in good repair.

- We** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

Your sum insured

- We** will not reduce the sum insured under Section One after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.
- If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.
- The sums insured in Section One (**Buildings**) will be indexed each month in line with The House Rebuilding Cost Index issued by the Royal Institute of Chartered Surveyors.

We will not charge **you** an extra premium for any monthly increase, but at each renewal **we** will calculate the premium using the new sums insured.

For **your** protection should the index fall below zero **we** will not reduce the sum insured.

The following cover applies only if the **schedule** shows that it is included.
