1 The Insured Parties
List of all named in the policy as 'insured' and details of each insured party involvement in project (i.e. what is each party required to insure by Contract Conditions)
Note: The contract conditions should be consulted to ensure all parties who must be insured have been included for their respective interests

a) Project Management Organisation (including responsibility between roles)	
b) Principal contractor	
c) Sub-Contractors	
d) Finance Parties	
e) Other Parties involved in contract but not to be insured Note: rights of recourse will be retained against these parties	
f) Example of similar project already completed	

2 The Contract

a) Values:	
i) Contract total	£
ii) Plant – main components	£
iii) Foundations, roadways & hardstandings	£
vi) Other including Free Issue materials - Specify	£

- b) What are the maximum periods of:
- i) Completion of total project works
 - ii) Construction (infrastructure, roads, civils)
 - iii) Erection (plant including foundations and electrical substation)
 - iv) Testing & commissioning
 - v) Maintenance / defects

- c) Progress:
- i) Please provide a project bar chart (if available)
 - ii) Details of any planned transfer of contractual responsibility during phased plant handover (if applicable)

--

3 The Site

- a) Location
- i) Full site address including postcode
 - ii) Please include site plan
 - iii) Security arrangements to prevent theft and malicious damage
 - ii) Details of any offsite storage and/or pre-fabrication work

- b) Describe the significant physical and environmental features of the site including:

- ii) Ground conditions
- iii) Geo-technical report conclusion
- v) Flood history

- c) Fire precautions:
- i) What will be the fire fighting arrangements?
 - ii) Project discussions with local fire brigade.
 - iii) Adherence to Joint Code of Practice.

YES / NO

4 The Works

a) Mechanical

- i) Number of composting units installed?
- ii) Unit rating (output in tonnes/annum)
- iii) Total plant capacity (tonnes/annum)
- iv) Composting material details (eg. source, storage arrangements etc).
- v) Plant designer / builder
- vi) Main components eg. tunnel covers, fans, etc.

- vii) Manufacturer of main components
- viii) Installed technology of special note / unusual feature.

b) Electrical:

- i) Power supply rating
- ii) Details of any installed transformers

c) Civil works:

- i) General description
- ii) Excavation details (including any blast work)
- iii) Confirm that a foundation evaluation has been carried out (e.g. to BS5930) and that the design has been approved by the plant manufacturers.
- iv) Foundation method statement(s)
- v) Access Roads
- vi) Temporary buildings (details of any on site and if insurance is required)
- vii) Details of any existing structures that are to be incorporated on to the works.

5 The Insurance Required

a) Is Owned Equipment Constructional Plant to be included?

YES / NO

If yes, please provide:

- i) Estimated maximum value of equipment on site at any one time
- ii) Estimated average value of equipment at risk during contract period

£
£

b) Is Hired Equipment Constructional Plant to be included?

YES / NO

If yes, please provide:

- i) Estimated hire charges
- ii) Limit of indemnity

£
£

c) Is cover to include inland transit?

YES / NO

If yes, please provide:

- i) Estimated maximum value for any one load

£

d) Is cover to include Public/Products liability? If yes , confirm:	YES /NO
i) Limit required:£2m/£5m/£10m	£
ii) Proximity to other buildings/dwellings (distance in metres)	
iii) Adjacent Footpaths/Roads/Public access	
iv) Adjacent properties/industry – including site plan	
v) Proximity of Public Services – Electrical / Water / Cables etc	
e) Is cover to include Advance Business Interruption (delay in start up)? If yes confirm:	YES /NO
i) Estimated annual gross revenue / gross profit (delete as applicable)	£
ii) Include copy revenue model from business plan.	
iii) Is cover for inland transit required?	YES / NO
iv) Indemnity period required (months)	
v) Date of intended commercial operation	
vi) Lead times of major components e.g. boilers, generators, transformers, etc.	
vii) Composition of revenue stream	
viii) Customer / supplier extensions (eg. equipment manufacturers and/or suppliers)	

6 General Information	
a) What is the contractors experience of this type of work?	
b) What is contractor's loss record over the past 3 years?	
c) Please detail any other information which you feel is relevant and will assist the underwriter's consideration of the risk	

DECLARATION	
I/We declare that to the best of my/our knowledge and belief the above statements are true and complete and will form part of the contract between me/us and the Underwriters.
