

RENEWABLE ENERGY CONTRACTORS LIABILITY INSURANCE PROPOSAL FORM

Introduction

The information you provide on this proposal is vital to Underwriters' consideration of the relative risks associated with your business. The premium quoted will be based on a number of factors including the responses you give to the questions below.

This proposal must be signed and dated by a partner, principal or director of the business. It is your duty to disclose all material facts to Underwriters. A material fact is one that is likely to influence underwriters' judgement and acceptance of your proposal.

Should we underwrite your policy, any change or alteration to the information you give below, which occurs during the period of the policy, requires immediate notification to us. Failure to do so may result in cover not being available from the date at which the change or alteration occurred.
