DECLARATION

Material facts must be disclosed. These are facts which an Insurer would regard as likely to influence the acceptance and assessment of the proposal. If you are in any doubt about what you should disclose, do not hesitate to tell us or your insurance intermediary. Making sure we are informed is for your own protection as failure to disclose all material facts may invalidate your cover or result in your policy not operating fully. You should keep a record (including copies of letters) of all information supplied for the purpose of entering into this contract.

I/We declare that to the best of my/our knowledge and belief the above statements are true and complete and will form part of the contract between me/us and the Underwriters.
